

1751

The English parliament accepted  
the Gregorian Calendar

Jan 1 would be 1<sup>st</sup> of yr 1752  
in 1752 in Sept

Sept 14, 1752 would be  
same in England  
as in Italy

1751

When Daniel Boone was 17, his Father  
, 734  
17  
1751 Squire Boone decided to move  
his family to the YADKIN Valley  
of North Carolina. He had heard there  
was plenty of game there, the Boones transferred  
their belongings to covered wagons - home  
for many months. Nearly a year passed  
before they reached YADKIN Valley. They  
cleared land, planted crops & built a cabin.  
They were happy till 1755.

1751

In Britain & her colonies  
the year 1751 contained no Jan.  
no Feb. and no Mar 1 through 24  
inclusive.

i. e.

$S = 31 \quad F = 28 \quad M = 24$   
 $= 83 \text{ days short}$

It started on Mar 25

New Year's & ended Dec 31, 1751.  
Years prior to 1751 started on Mar 25  
(Marty's Handbook)

1751

IN ENGLAND, THE YEAR 1751  
had no Jan: had no Feb  
31d 28d  
nor any Mar 1 → 24 inclusive  
Mar. 25, 1751 was the New Year  
Jan 1, 1752 followed Dec 31, 1751  
But  
Jan 1, 1750 followed Dec. 31, 1750

Sept 4, 1751

Beaumont, TX was born

1751

Act of Parliament banned  
New England from issuing  
paper money.

1751

Philip Dormer Stanhope, Earl of Chesterfield finally convinced Parliament to act in a unanimous vote in 1751 to adopt the Gregorian Cal. He wrote his son: "It was notorious, that the Julian Cal. was erroneous and had overcharged the solar year with eleven days."

they dropped days in Sept 1752

Aug 31, 1751

Clive's first major engagement began 8/31/1751 at ARCOT, 50 mi southwest of Madras where then-Captain Clive's force of 200 Englishmen (8 of them officers) (6 of them never having seen action). 300 sepoy (mostly Indian etc) and 3 cannon displaced a force of 6,000 by surprise.

them during a violent monsoon  
thunderstorm. The enemy thought  
Clive a man possessed and ran  
away.

Once having taken the ALCO 7 ft  
Clive then withstood a 50 day  
siege from a French-trained army  
of 10,000. Again & again he resisted.  
On 12/6/1757, the final ~~sortie~~ assault on  
Arcot was repulsed and by next morning  
the besiegers had drifted away. Clive's  
victory made British major players in the region.

Mar. 16, 1751

(1751)

James Madison, 4th pres. of the  
U.S. was born in Port Conway, Va.

May 22, 1751

Duncan, Cal

The Bill in Cal. Reform was  
approved by King George II  
on May 22, 1751.

This act ordered 11 days expunged  
from the Cal in Great Britain and  
its colonies. with Wed. Sep 2, 1752  
followed by Thur Sep 14, 1752

The act also mandated that in the  
future the Cal. yr and EASTER be

observed according to the Gregorian system  
and that the year would begin on  
Jan 1 in England instead of Mar 25

The Act ordered that no one was to pay  
wages or count or pay interest for the  
11 lost days. Those reaching 21, being  
discharged from the Army, indentured  
servants; criminals released from jail  
had to serve all their days & could  
not subtract the 11 days or any  
part thereof

1751-1772

In France the publication of a great encyclopedia of human knowledge caused a sensation. Edited by Denis DIDEROT and issued in 35 volumes from 1751 to 1772.

Franklin won his seat  
in the Assembly

Early 1751

England Cal

Earl of Chesterfield championed  
the cause of Cal reform. His  
bill passed both houses of  
Parliament in early 1751, the  
changeover being set for 1752

Mobs rioted in 1752; Debtors  
fumed. Courts & Judges became  
confused. Many thought their lives  
were actually being shortened and

prior to that time, Businessmen  
found letters from the Continent  
arriving in England 3 days  
before they were written.

1751

---

Charterfield act of 1751  
outlined conversion of  
English Cal to Mexican  
Cal where

25 Sept 1752 was followed  
by 14 Sept 1752 and  
Jan, Feb, Mar 1-24 etc 1751  
did not exist.
